Nalkheda, Madhya Pradesh

## KEY ACHIEVEMENTS

- 
- Rising Star Award**  
Received the Rising Star performer award at Atyati Technologies for Development in the fourth quarter of 2023-2024
- 
- NIMCET Entrance Exam Rank**  
Achieved All India Rank 662 in NIMCET Entrance Exam 2021

## LANGUAGES

English      Proficient    ●●●●●  
Hindi              Native      ●●●●●

## SKILLS

- ADO.NET    ASP.NET
- ASP.NET Core    Bootstrap
- C/C++    C#    CSS
- Encryption    Entity Framework
- Entity Framework Core    HTML
- IIS    JavaScript    JWT
- Microsoft SQL Server
- Middleware    MVC    REST
- SQL    Visual Studio
- NET Core    RESTful API
- NET    Gmail

## SUMMARY

I am a Software Engineer with over two years of experience in designing, developing, testing, and maintaining robust web applications. I excel in solving complex technical challenges and delivering high-quality solutions. My passion lies in utilizing my technical expertise and problem-solving skills to drive innovation and contribute effectively within a dynamic software development team

## EXPERIENCE

### Software Developer

**Atyati Technologies**      07/2023 - Present    Bangalore  
Atyati Technologies is a software company focused on providing technical solutions

- Engineered .NET Core applications to optimize MFI loan services for IDBI Bank, ensuring efficient and scalable solutions
- Demonstrated expertise in developing and consuming Web APIs to facilitate seamless data exchange and integration
- Effectively handled API-driven retrieval of CCR reports, streamlining financial data processing
- Designed and implemented the factory pattern to enhance code maintainability and scalability within the application
- Secured API communications by integrating JWT-based authentication, ensuring robust access control
- Strengthened application security through advanced encryption methodologies, safeguarding sensitive data
- Leveraged a diverse technology stack, including Entity Framework Core, ASP.NET Core, SQL Server, RESTful APIs, MVC, C#, JavaScript, HTML, and CSS, to deliver high-performance solutions
- Successfully deployed the application on IIS, optimizing hosting and ensuring reliable service availability

### Intern (Software Development)

**Atyati Technologies**      01/2023 - 06/2023    Bangalore  
Atyati Technologies is a software company focused on providing technical solutions

- Learned to implement middleware in ASP.NET Core for logging, exception handling, and request validation
- Developed a strong understanding of RESTful API principles and best practices for designing scalable and efficient web services
- Understood the role of connection pooling and transaction management in database operations using MS SQL Server
- Worked with dependency injection in .NET Core to improve application modularity and maintainability

## EDUCATION

### Master of Computer Application

**National Institute of Technology**      08/2021 - 05/2023    Patna, Bihar

### Bachelor of Science in Computer Science

**Christian Eminent College**      08/2017 - 07/2020    Indore

### Diploma from High Secondary School

**Kamla Sagar Higher School**      07/2016 - 05/2017    Bhaindoda
